So close your eyes for that's a lovely way to be

Aware of things your heart a-lone was meant to see

The fundamental loneliness goes whenever two can dream a dream to-gether

You can't de-ny, don't try to fight the rising sea

Don't fight the moon, the stars a-bove and don't fight me

The fundamental loneliness goes whenever two can dream a dream to-gether

When I saw you first the time was half past three. When your eyes met mine it was e-ternity

By now we know the wave is on its way to be

Just catch the wave don't be a-fraid of loving me

The fundamental loneliness goes whenever two can dream a dream to-gether

To-gether to-gether to-gether to-gether
