

SING B

WE HAD IT ALL (BAR)-Troy Seals/Donnie Fritts

4/4 1...2...1234

Intro: First 2 lines

I can hear the wind blowin' in my mind

Just the way it used to sound through the Georgia pines

And, you were there to answer when I called. You and me, we had it all.

Re-member how I used to touch your hair

While reaching for the feeling that was always there

You were the best thing in my life I re-call. You and me, Lord knows, we had it all.

I know I can't re-live those times again

So, I just let my dreams take me back to where we've been

p.2. We Had It All

I'll stay right there with you, just as long as I can

Ooh, it was so good, yes, it was so good

Oh, it was so good when I was your (you were my) man.

I'll never stop be-lievin' in your smile

Even though you didn't stay, it was all worth-while

You were the best thing in my life I re-call.

You and me, Lord knows, we had it all.

Oh yeah, you and me, we had it all.

You and me, we had it all.
