WE'RE IN THE MONEY

4/4 1...2...1234

Intro:

Gone are my blues and gone are my tears.

I've got good news to shout in your ears.

The long lost dollar has come back to the fold.

With silver you can turn your dreams to gold.

We're in the money we're in the money

We've got a lot of what it takes to get a-long

We're in the money the skies are sunny

Old man de-pression you are through you done us wrong

p.2. We're In the Money

We never see a headline 'bout a breadline to -day

And when we see the landlord, we can look that guy right in the eye

We're in the money 'c-mon my honey

Let's spend it, lend it, send it rollin' a - long

Let's spend it, lend it, send it, let's spend it, lend it, send it

Let's spend it, lend it, send it rollin' a - long
