

WHAT A LITTLE MOONLIGHT CAN DO - Harry Woods

4/4 1...2...1234

Intro:

(8 beats each)

Ooh, ooh, ooh, what a little moonlight can do

Ooh, ooh, ooh, what a little moonlight can do to you

You're in love, your heart's a-flutter, and, all day long, you only stutter,
 'Cause your poor tongue just cannot utter the words, "I love you"

Ooh, ooh, ooh, what a little moonlight can do

Wait a while, till a little moonbeam comes peepin' through

You'll get bored, you can't resist her/him

And, all you'll say, when you have kissed her/him is

Ooh, ooh, ooh, what a little moonlight can do

p.2. What a Little Moonlight Can Do

Instrumental: Repeat first verse

Ooh, ooh, ooh, what a little moonlight can do

Wait a while, till a little moonbeam comes peepin' through

You'll get bored, you can't resist her/him

And, all you'll say, when you have kissed her/him is

Ooh, ooh, ooh, what a little moonlight can do

Ooh, ooh, ooh, what a little moonlight can do
