Don’t know much about history, don’t know much bi-o-log-y

Don’t know much about a science book, don’t know much about the French I took

But I do know that I love you, and I know that if you love me too

What a wonderful world this would be.

Don’t know much about ge-o-graphy, don’t know much trigo-nom-etry

Don’t know much about algebra, don’t know what a slide rule is for

But I know that one and one is two, and if this one could be with you

What a wonderful world this would be

I don’t claim to be an ‘A’ student, but I’m tryin’ to be

For maybe by being an ‘A’ student, baby, I can win your love for me.

Repeat 1st verse.
