3/4 123 12 (without intro)

**Intro:**  /  /  /  /

What the world needs now is love, sweet love. It's the only thing that there's just too little of

What the world needs now is love, sweet love. No, not just for some, but for everyone.

Lord, we don't need another mountain, there are mountains and hillsides e-nough to climb.

There are oceans and rivers e-nough to cross, e-nough to last till the end of time

      

What the world needs now is love, sweet love. It's the only thing that there's just too little of

What the world needs now is love, sweet love. No, not just for some, but for everyone.

**p.2. What the World Needs Now**

**What the world needs now is love, sweet love. It's the only thing that there's just too little of**

**What the world needs now is love, sweet love.**
