WHEN I GROW TOO OLD TO DREAM

4/4 1..2…1234 (without verse) -Sigmund Romberg/O. Hammerstein

Verse:

We have been gay, going our way, life has been beautiful, we have been young

After you've gone, life will go on, like an old song we have sung

When I grow too old to dream, I will have you to remember

When I grow too old to dream, your love will live in my heart

So, kiss me, my sweet, and so, let us part

And when I grow too old to dream, your love will live in my heart

Interlude: First 2 lines

So, kiss me, my sweet, and so, let us part

And when I grow too old to dream, your love will live in my heart

Your love will live in my heart, your love will live in my heart
