WHEN YOUR LOVER HAS GONE

What good is the scheming, the planning and dreaming that comes with each new love affair?

The love that you cherish so often may perish and leave you with castles in air.

When you're a lone, who cares for starlit skies?

When you're a lone, the magic moonlight dies

At break of dawn there is no sunrise,

When your lover has gone.

What lonely hours the evening shadows bring

What lonely hours, with memories lingering

Like faded flowers, life can't mean anything

When your lover has gone
WHEN YOUR LOVER HAS GONE
