The harder I work, the faster I earn, the faster I earn, then the richer I get

C    Cdim    G    D7    G    D7+5

The richer I get, the faster I spend- where does it get you in the end?

G    G7

The harder I work, the more that I learn, the more that I learn, then the smarter I get

C    Cdim    G    D7    G

But maybe the strain will injure my brain- where does it get you in the end?

Dm7    G7    Dm7    G7

But if I work harder, get smarter, for-get a little slower, spend a little lower

Em7    A7    Em7    A7    D7    Am7    D7

Earn faster, learn faster, I'll be smart as Einstein and rich as Mr. Astor

G    G7

So, baby, for you I'll work day and night, get terribly rich and amazingly bright

C    Cdim    G    D7    G    Gdim    G6

But, honey, unless you're gonna say yes- where will it get me in the end?
