

# WHO'LL STOP THE RAIN - John Fogerty

4/4 1...2...1234

**Intro:**    (2 measures each)

    
Long as I remember, the rain been comin' down

   
Clouds of mystery pourin', con-fusion on the ground

     
Good men through the ages, tryin' to find the sun

     
And I wonder, still, I wonder, who'll stop the rain?

    
I went down Virginia, seekin' shelter from the storm

    
Caught up in the fable, I watched the tower grow

     
Five-year plans and new deals, wrapped in golden chains

     
And I wonder, still, I wonder, who'll stop the rain?
