WILDFIRE (BAR)-Michael Martin Murphey/Larry Cansler

4/4 1...2...1234

Intro: 

She comes down from Yellow Mountain, on a dark, flat land she rides

On a pony she named Wildfire Whirlwind by her side, on a cold Nebraska night.

Oh, they say she died one winter, when there came a killing frost

And the pony she named Wildfire busted down its stall; in a blizzard she was lost.

She ran calling Wild-fire, she ran calling Wild-fire,

Calling Wild-fi-i-re.
By the dark of the moon I planted,        but there came an early snow.

S'been a hoot owl howlin' outside my window now,         'bout six nights in a row.

She's comin' for me, I know, and on Wildfire we're both gonna go.

We'll be ridin' Wild-fire,            Wild-fire, ridin' Wild-fire, ridin' Wild-fire

On Wildfire we're gonna ride. We're gonna leave sod-bustin' behind

Get the hard times right on out of our minds,

Ridin' Wild-fire, Wild-fire, Wild-fire
