# WILD IS THE WIND (BAR)-Dimitri Tiomkin/Ned Washington

4/4 1...2...1234

Intro: |   |   | (X2)

Love me, love me, say you do. Let me fly a-way with you.

For my love is like the wind, and wild is the wind.

Give me more than one caress, satisfy this hungriness.

Let the wind blow through your heart, for wild is the wind.

You touch me, I hear the sound of mando-lins.

You kiss me, and, with your kiss, the world be-gins.

You're spring to me, all things to me. You're life it-self!

Like a leaf clings to a tree, oh my darling, cling to me,

For we're creatures of the wind, and wild is the wind, the wind.

Wild is my love, my love, for you.
