Intro: |  |  |  |  | followed by first 6 lines

Winchester Cathedral,

you're bringing me down

You stood and you watched, as my baby left town

You could have done something, but you didn't try

You didn't do nothing, you let her walk by

Now everyone knows just how much I needed that gal

She wouldn't have gone far away, if only you'd started ringing your bell

Winchester Cathedral,

you're bringing me down

You stood and you watched, as my baby left town
