I re-member the days of just keeping time, of hanging around in sleepy towns for-ever

With a wink and a smile
p.2. A Wink and a Smile

Interlude: chords of 1st 4 lines

Now my heart is music, such a simple song

Singin’ a-gain, the notes never end, this is where I be-long

Just the sound of your voice, the light in your eyes, you’re so far away from yester-day, to-gether

With a wink and a smile, we go to-gether,

Like a wink and a smile
