

SING E

A WINK AND A SMILE (BAR)-Ramsey McLean/Marc Shaiman

4/4 1...2...123 (without intro)

Intro: |  |  |  |

I re-member the days of just keeping time, of hanging around in sleepy towns for-ever

Back roads empty for miles

Well, you can't have a dream, and cut it to fit, but, when I saw you, I knew we'd go-to-gether

Like a wink and a smile

Leave your old ja-lopy by the railroad track

We'll get a hip, double dip, tip toppy, two seat Ponti-ac

So, you can rev her up, don't go slow, it's only green lights, and, al-right, let's go to-gether

With a wink and a smile

p.2. A Wink and a Smile

Interlude: chords of 1st 4 lines

Now my heart is music, such a simple song

Singin' a-gain, the notes never end, this is where I be-long

Just the sound of your voice, the light in your eyes, you're so far away from yester-day, to-gether

With a wink and a smile,

we go to-gether,

Like a wink and a smile
