Intro:  |  |  | (X2)

Smile an everlasting smile, a smile could bring you near to me

Don't ever let me find you gone, 'cause that would bring a tear to me

This world has lost its glory, let's start a brand new story now, my love

Right now there'll be no other time, and I can show you how, my love

Talk in everlasting words, and dedicate them all to me

And, I will give you all my life, I'm here if you should call to me

And….you think that I don't even mean a single word I say

It's only words, and words are all I have to take your heart a-way
p.2. Words

Interlude: chords of first 2 lines

And….you think that I don't even mean a single word I say

It's only words, and words are all I have to take your heart a-way

It's only words, and words are all I have to take your heart a-way

It's only words, and words are all I have to take your heart a-way
