When I was young I'd listen to the radio, waiting for my favorite songs

When they played I'd sing along, it made me smile

Those were such happy times and not so long ago, how I wondered where they'd gone

But they're back again just like a long lost friend, all the songs I loved so well

Every sha-la-la-la-la, every wo-o-wo-o, still shines

Every shing-a-ling-a-ling, that they're starting to sing's so fine

When they get to the part where he's breaking her heart

It can really make me cry, just like before, it's yesterday once more
Looking back on how it was in years gone by, and the good times that I had

Makes to-day seem rather sad, so much has changed.

It was songs of love that I would sing to then, and I'd memo-riize each word

Those old melodies still sound so good to me, as they melt the years a-way

Every sha-la-la-la, every wo-o-wo-o, still shines

Every shing-a-ling-a-ling, that they're starting to sing's so fine

All my best memories come back clearly to me

Some can even make me cry just like be-fore, it's yesterday once more

Every sha-la-la-la, every wo-o-wo-o, still shines

Every shing-a-ling-a-ling, that they're starting to sing's so fine (repeat 2 lines and fade)
