YOU AND ME AGAINST THE WORLD

Intro: | | | | |

You and me against the world,  sometimes it feels like you and me against the world

When all the others turn their backs, and walk away, you can count on me to stay

Remember when the circus came to town, and you were frightened by the clown

Wasn't it nice to be around someone that you knew

Someone who was big and strong and looking out for you…

And me against the world,  sometimes it feels like you and me against the world

And for all the times we've cried,  I always felt that God was on our side

And, when one of us is gone,  and one of us is left to carry on

Then, re-membering will have to do,  our memories a-lone will get us through

Think about the days of me and you,  you and me against the world
