YOUNGER GIRL (BAR)-John Sebastian

Intro: |  |  |  |  |

She's one of those girls who seems to come in the spring

One look in her eyes and you for-get every-thing

You had ready to say, and I saw her to-day, yeah

A younger girl keeps a-rollin' across my mind

No matter how much I try, I can't seem to leave her memory be-hind

I re-member her eyes, soft, dark, and brown

Said she'd never been in trouble, even in town

A younger girl keeps a-rollin' across my mind

No matter how much I try, I can't seem to leave her memory be-hind

Interlude:  

p.2. Younger Girl

A younger girl keeps a-rollin' across my mind

And should I hang a-round, acting like her brother

In a few more years, they'd call us right for each other

And why? If I wait, I'll just die, yeah

A younger girl keeps a-rollin' across my mind

No matter how much I try, I can't seem to leave her memory be-hind

I re-member her eyes, soft, dark, and brown

Said she'd never been in trouble, even in town

A younger girl keeps a-rollin' across my mind

(fade) She's one of those girls who seems to come in the spring

One look in her eyes and you for-get every-thing
