Intro: |  |  |  |  | **(X2)**

They say for every boy and girl there's just one love in this old world,

And I know I've found mine

The heavenly touch of your embrace tells me no one can take your place

E - e - ever in my heart

Young love, first love, filled with true de-votion

Young love, our love, we share with deep e-motion

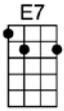

Interlude:

p.2. Young Love

Just one kiss from your sweet lips will tell me that your love is real,

And I can feel that it's true

We will vow to one another there will never be another

Love for you or for me

Young love, first love, filled with true de-votion

Young love, our love, we share with deep e-motion

Young love, first love, filled with true de-votion

Young love, our love, we share with deep e-motion
