YOU'RE JUST IN LOVE (BAR)-Irving Berlin

4/4 1...2...1234

Intro:

I hear singing and there's no one there, I smell blossoms and the trees are bare
You don't need analyzing, it is not so surprising, that you feel very strange but nice

All day long I seem to walk on air,
Your heart goes pitter patter, I know just what's the matter,

I wonder why? I wonder why?
because I've been there once or twice

I keep tossing in my sleep at night,
Put your head on my shoulder, you need someone who's older

And what's more I've lost my appetite
A rubdown with a velvet glove

Stars that used to twinkle in the skies
There is nothing you can take to relieve that pleasant ache

Are twinkling in my eyes, I wonder why
You're not sick, you're just in love.

Stars that used to twinkle in the skies
There is nothing you can take to relieve that pleasant ache

Are twinkling in my eyes, I wonder why
You're not sick, you're just in love.
