YOU’RE NOBODY TILL SOMEBODY LOVES YOU

4/4 1...2...123

You’re nobody till somebody loves you

You may be king, you may possess the world and its gold

But gold won’t bring you happiness when you’re growing old (you gotta remember that)

The world still is the same, you’ll never change it

As sure as the stars shine above

You’re nobody till somebody loves you

So find yourself somebody to... find yourself somebody to...

Find yourself somebody to love.
