YOU SHOWED ME THE WAY - Fitzgerald/Green/McRae/Webb

4/4

I used to wonder if life could be worth-while,

If there were some way I'd ever rate a smile

Love had no meaning until you happened by.

If life's worth living, there's every reason why

You showed me the way, when I was someone in dis-tress

A heart in search of happi-ness, but you showed me the way

My sky was so gray, I never knew I'd feel a thrill

I couldn't dream a dream un-til you showed me the way

The moment you found me the shadows a-round me just disappeared from view

The world became rosy, each corner so cozy, darling, all be-cause of you
p.2. You Showed Me the Way

You showed me the way,                        and if I've learned that love can be

A paradise for you and me, here's all I can say: You showed me the way

Interlude:

The moment you found me the shadows a-round me just disapeared from view

The world became rosy, each corner so cozy, darling, all because of you

You showed me the way,                        and if I've learned that love can be

A paradise for you and me, here's all I can say: You showed me the way
