YOU'VE GOT A FRIEND(BAR)

INTRO:

When you're down and troubled and you need some lovin' care

And nothin', oh nothin' is goin' right

Close your eyes and think of me and soon I will be there

To brighten up even your darkest night

You just call out my name and you know, wherever I am

I'll come runnin' to see you a-gain

Winter, Spring, Summer, or Fall, all you've got to do is call,

And I'll be there yeh, yeh, yeh, you've got a friend, you've got a friend

If the sky a-bove you grows dark and full of clouds

And that ol' North Wind be-gins to blow

Keep your head to-gether and call my name out loud

Soon you'll hear me knockin' at your door
You just call out my name and you know, wherever I am

I'll come runnin' to see you a-gain

Winter, Spring, Summer, or Fall, all you've got to do is call,

And I'll be there yeh, yeh, yeh,

Hey, ain't it good to know that you've got a friend when people can be so cold

They'll hurt you, and de-sert you, they'll take your soul if you let them

Ah, but don't you let them.

You just call out my name and you know, wherever I am

I'll come runnin' to see you a-gain

Winter, Spring, Summer, or Fall, all you've got to do is call,

And I'll be there yeh, yeh, yeh, you've got a friend.....etc.
