Zoom, Zoom will keep us to-gether, we may be locked down for-ever

So, practice the songs if you’re taking a break, or thinkin’ of Jake

Or when you’re lyin’ in bed, and you’re hardly awake

Just strum, you’ve just got to get better, don’t stop, or you’ll be a regretter

If we’ve got WiFi, then Zoom will keep us to-gether. Whatever!

Nice clothes! We see that you’ve got good taste, but we only see above the waist

And, so, while we’re playing these songs, you could be wearing a thong,

And be-cause we can’t hear, you could be strumming all wrong
